

Your business IS our Business

Often, we get so busy that we forget to take the time to show our appreciation for your continued business. We've decided that one way to do so would be to offer you a Reduced Fee when you refer new clients to us. You can start saving right now by simply asking your friends and family to fill out the referral coupon, call for an appointment, and bring the coupon with them. It really is that easy. For each referral that results in a new client we'll give you a \$25 credit towards your fee for next year.

It's simple and easy. But most of all, it's our way of saying 'Thank-you!'
